Projects

UX Client Web Redesign

Siena Beverage Institute

Fall 2025

- Meet with clients, including Meadowdale Winery and Serious Brewing, to discuss project goals, share website mockups in Figma, and gather feedback through ongoing design meetings.
- Strengthen communication and design skills while gaining hands-on experience in Figma, web design, and creating digital assets such as photos, videos, and graphics.

Roommate Finder App:

UX Design Team Project

Summer 2025

- Collaborated with a classmate to develop a roommate-matching app concept for Siena students, evolving a classroom project into a full proposal presented to Student Life.
- Conducted student research to identify pain points and inform design decisions, ensuring a personalized and user-friendly experience.
- Designed and iterated the mobile prototype based on user feedback, enhancing usability and accessibility.
- Project received approval from Student Life and is currently in development with Siena’s software engineering team.

Skills

- Adobe Creative Suite (Illustrator, Photoshop, InDesign, Lightroom Classic) · Figma · UX/UI Design ·
- HTML · CSS · Visual Studio Code · Photography ·
- Print & Digital Design · Brand Identity ·

Experience

NYS Justice Center

Creative Content Producer

Student Assistant

September 2025 – December 2025

- Design print and digital materials, including brochures and digital assets, using Adobe Creative Suite (Photoshop and Illustrator).
- Assist in maintaining visual brand consistency and organized digital asset libraries.
- Apply design skills to enhance digital visual communication and engage the agency’s audience.

Summer Scholars Research:

Siena Beverage Institute

May 2024 – Present

- Research the history, production, and tasting notes of a wide range of beverages to help create educational content for tastings and events.
- Present drinks to alumni, faculty, and friends in an approachable way, sharing tasting notes, background, and pairing suggestions.
- Create visuals for social media and event materials: designing tasting sheets, photographing and filming events, and helping produce content for both Institute projects and external partners.

Laudato Si’ Center for Integral Ecology,

Graphic Designer

Summer 2025

- Worked with Franciscan friars to design posters centered around the Fall 2025 Symposium theme, creating visuals that reflect the center’s values and message.
- Designed a Food Waste Display for the University’s dining hall.
